

## Letter of intimation

Recruitment of the candidates as district coordinators for School Health Programme and ARSH.

The following personnel are required to send an email on their willingness to join the specified district on or before 15<sup>th</sup> October 5 PM positively. If any candidate failed to do so, it will be considered as non willingness to join. The date of joining duty will be informed later.

There is chance for a slight variation in the district of the posting in case any candidate opts out from joining the post in a particular district. In such the next candidate in line will be given the choice for selection of district.
