ORDER

As per the Government Order read as 2nd and 4th papers above Government have introduced Special Rules for Kerala Health Services (Medical Officers) which, inter alia, consists of Administrative Cadre/Specialty Cadre/Super specialty Cadre. Government have also sanctioned additional posts of Junior Specialist, Senior Specialist, Superintendents, Senior Medical consultants and Chief consultant for Specialty Cadre as per the G.O read as 1st and 6th papers above. Subsequently in consultation with Director of Health Services, Government

(2)

as per the G.O read as 7th paper above approved the institution wise distribution list and Specialty wise seniority list for placement of doctors.

2) It was brought to the notice of the Government that the distribution of posts in the Specialty/Administrative Cadre had some anomalies in terms of some districts/ institutions not having adequate number of posts and Specialty Cadres. Hence as per G.O read as 8th paper above, Government have cancelled the seniority list of medical officers approved earlier with a view to revising the seniority list, as it was not in order. As per G.O read as 9th paper above Government had also approved the revised institution wise distribution of posts of Chief Consultant and Senior Consultant. As per G.O read as 10th paper above Government have also issued certain modifications in the norms for calculation of eligible points for fixing seniority in the Specialty Cadre in modification to the G.O read as 8th paper above. Based on the above G.O the Director of Health Services published final seniority list for placement of Medical Officers who opted in Specialty Cadre and provisional list for placement of Medical Officers in Specialty Cadre as per the distribution of post ordered in the G.O read as 11th and 12th papers read above.

3) However, the above final seniority list and provisional list for placement of Medical Officers were challenged before the Hon'ble High Court of Kerala through WP(C) No. 20284/09 filed by Dr. T.O Navas, Assistant Surgeon, District Hospital, Idukki. The above WP(C) was disposed of by the Hon'ble High Court as per judgment read as 13 th paper above directing the respondents therein to incorporate the post graduate degree/diploma acquired and the date on which the same has been acquired by the persons, whose names figure in the Seniority list and also in the list for placement as and when such lists are published.

4) In pursuance of the above directions of the Hon'ble High Court, the Director of Health Services has revised the Seniority Lists of Medical Officers who have opted Administrative Cadre/ General Cadre and Specialty Cadre providing the details of PG Diploma/Degree acquired and date of acquisition etc and after considering the requests for change of Cadre/Option/or fresh inclusion etc received upto 31.10.09, for the placement of Medical Officers who were in service as on 31.12.06.

(3)

5) Accordingly Government approved a provisional seniority list of Medical Officers as per G.O read as 15th paper above with a condition that objections if any, to the above seniority list should be sent to the Director of Health Services by 7.1.10 by 5 P.M and hearing would be held by the Secretary(H) at 11.A.M on 8.1.2010 in his office at Thiruvananthapuram. However the Director of Health Services was authorized to hear the objections received, on behalf of Secretary(H). Accordingly the Director of Health Services conducted the hearing at 11.A.M on 8.1.2010 in his office at Thiruvananthapuram. Out of the 44 objections/appeals were received 23 Medical Officers were present for the hearing. Their objections were heard in detail. The Director of Health Services subsequently considered the 44 appeals on merit and disposed of them.

6) As per G.O read as 16th paper above Government have also ordered that the Medical Officers who have opted Specialty Cadre but have been placed in a lower category in the Specialty Cadre due to having lower points compared to medical officers who are junior to them in the service will be given one time protection in placement and will be posted in the same cadre/post where his juniors are placed in the same specialty. It was ordered that this would apply to the posting in the Specialty Cadre and additional posts would be created by converting equivalent General Cadre posts.

7)As per G.O read as 17th paper above Government have also issued revised Special Rules in supersession of the Special Rules issued vide G.O cited 2nd and 4th above, incorporating all the changes in the rules issued in various orders in between. Based on the revised Special Rules the Director of Health Services as per the letter read as 18th paper above has now furnished final Seniority list of Medical Officers in Administrative Cadre/Specialty Cadre, General Cadre and Dental General Cadre.

8)Government have examined the proposal of the Director of Health Services and are pleased to approve the final seniority list for

(4)

placement of doctors in Specialty Cadre/Administrative Cadre/General Cadre and Dental General Cadre as given in the Annexures to this G.O and orders are issued accordingly.
