

Certificate Course in Evidence Based Diabetes Management (CCEBDM)– an NRHM- PHFI collaborative programme.- Nominations invited

Nomination through DMOs has been invited from medical officers/ specialists working at CHCs and above institutions for the Certificate Course in Evidence Based Diabetes Management (CCEBDM) course jointly conducted by the NRHM and Public Health Foundation of India. This one year training programme will have 12 contact classes in five government medical colleges and the cost of the training is being borne by NRHM. Nominations DO NOT automatically entitle right for admission to the programme . The list will be finalized only in consultation with the DHS . Nominees, if selected will have to give an undertaking that they will continue to serve in the health services for a minimum period of two years after the completion of the course. Trainees will be eligible for TA/ DA as per rules.

Application for nominations should be submitted to DMO in the prescribed format which can be downloaded from the down load link . Nominees list is expected to reach office of the state mission director , NRHM by 10 th May through proper channel.

further information can be obtained from Dr.S.A.Hafiz, State Nodal Officer, Special projects, NRHM, 994610 5468
