The Health technology assessment in India (HTA-In) is a program set up under the Department of Health Research (DHR), Ministry of Health and Family Welfare, Government of India. RTRC- HTAIn-SCTIMST is a technical partner of HTA-In and the regional resource hub. The Government of Kerala has approved the proposal to conduct HTA in the selected areas. Doctors and staff Nurses who are interested in Public health and are willing to associate with HTA may provide their details in the link given below. The selected ones will be allowed to attend monthly training sessions on selected topics, and they can associate with the works if sufficient competency is achieved via the sessions

The state Training division along with RTRC- HTAIn-SCTIMST will arrange online- training sessions for the interested participants. Link : <https://forms.gle/AvAjZXiK4dBKjHJk7>
